Dear Mr Simpson,

NT Police 2008 Consent Agreement

Our Association is in receipt of your correspondence of Monday 2 June 2008 which sets out an offer for a new Police Consent Agreement, (2008 Consent Agreement).

The executive of our Association considered the government offer on the evening of 2 June 2008 and has determined as follows:-

- *The executive endorses the offer of the Commissioner for Public Employment dated 2 June 2008 and recommends members accept this offer.*
- *The executive directs the Returning Officer to conduct a ballot in accordance with Clause 23.3 (1) of the NTPA Constitution such ballot to open on Wednesday 25 June 2008 and to close at 9am Monday 14 July 2008.*

It is our expectation that our Association will manage the information flow to our membership in relation to this offer. Our Association has drafted a proposed timetable for Information Sessions and it is hoped the Commissioner of Police will assist to facilitate these sessions.

Our Association is currently preparing a presentation for these sessions which we will finalise in consultation with representatives of yourself and the Commissioner of Police.

There are some minor matters which require clarification in relation to the Isolated Policing Incentives Package and the Travelling Allowance Proposal as it relates to training courses in Darwin and Alice Springs, however, these matters will not in our view change the underlying principles of the proposal nor incur further costs.

Yours Sincerely

A handwritten signature in black ink, appearing to read 'V. Kelly', followed by a period.
